

Dear Family and Friends,

This year I am apart of St. Ambrose University Dance Marathon. My school raised over \$251,000 last year and we need **YOUR** help to raise even more this year. My goal is to raise **\$XXX** amount by March 30th.

## What is Dance Marathon?

St. Ambrose Dance Marathon is SAU's largest student-run philanthropic organization. SAUDM is a culmination of year-long fundraising by us dancers, to celebrate the lives of children and families treated at the University of Iowa Stead Family Children's Hospital. The money raised directly benefit the children and families of University of Iowa Children's Hospital through Children's Miracle Network.

**University of Iowa Stead Family Children's Hospital was opened in 2017**  
**St. Ambrose Dance Marathon funded the 3rd floor Child Life Resource Space**

This year, Dance Marathon at St. Ambrose will take place on March 30th, 2019. During this time, dancers will stay on their feet for 13.1 hours in celebration of the children who won their battles, those who are still fighting, and those who are forever dancing in our hearts.

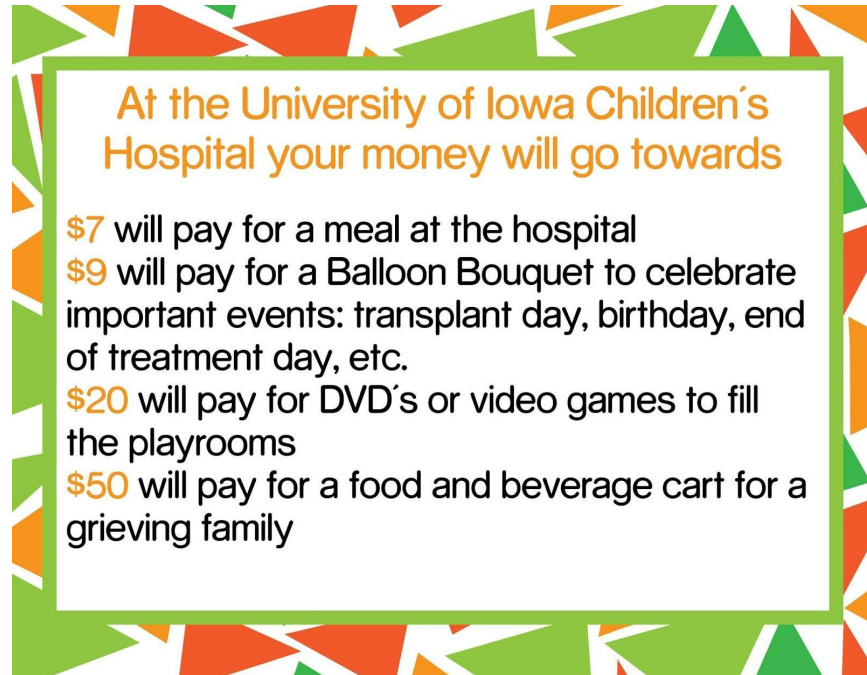

St. Ambrose University Dance Marathon has been in existence for 7.5 years now and in that time we have raised over \$1 million FTK (For The Kids).

## Why I Dance:
